COUNTY PROPOSALS
JUSTICE MILLAGE QUESTION

For the purpose of constructing, equipping, and financing a new combined justice complex facility and expanding correctional programming, to include a new county jail, Sheriff's department offices, and court facilities, which would replace the existing facilities and will be safer for the public, staff and inmates, and allow for more efficient operations; and including programming for the treatment of substance addictions, treatment of mental illness, and reduction of re-incarceration among arrested persons, shall the Constitutional limitation upon the total amount of taxes which may be assessed in one (1) year upon all property within the County of Ingham, Michigan be increased by up to 85/100 (0.8500) of one (1) mill, \$0.85 per thousand dollars of state taxable valuation, for a period of twenty (20) years (2018-2037) inclusive? If approved and levied in full, this Millage will raise an estimated \$6,207,147 in the first calendar year of the levy, based on state taxable valuation.
